Our Commitment To Your Family

The Founders and Staff of Arlington Burial & Cremation is committed to your complete satisfaction. We are privileged to be of service to your family, and we will do everything possible to take care of your needs in a dignified and respectful manner.

We believe that trust is built on a relationship of openness and honesty. To insure your needs are met, please know that we will answer all your questions in a clear and understandable manner. We will insure the arrangements you make will meet with your individual wishes. We will explain all of your options available for your particular situation, and we will clearly and openly explain our prices and payment methods.

Our Guarantee To You

We guarantee every member of our staff is here to assist and serve you at this difficult time. We are available anytime, day or night and are committed to exceeding your expectations. If at any time you would like us to do something differently, please let us know and we will make changes according to your wishes. Your complete satisfaction is not only our goal; it is our guarantee.

PAYMENT OPTIONS

To lose someone you love is a devastating human experience. It's frequently traumatic and can seriously impact judgement. It is important to celebrate the life of someone important to us when that person has died, and to make the experience as meaningful as possible.

It is also important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they are able, nor less than they would like. What is important is that the arrangements be in keeping with the family's wishes and budget.

Because funeral costs are often shared by different individuals and frequently divided between family members, financial arrangements must be resolved prior to the funeral service. In this way, the possibility for misunderstanding between family members is avoided.

Arlington's policy requires that all financial arrangements must be completed prior to the setting of any viewing times or services.

We offer several payment options to you at this time. The following methods of payment are available for your convenience.

OPTION A: Pre-Arranged Funeral Plan

You may pay with a pre-arranged or pre-paid funeral arrangement. If pre-arrangements have been made, please inform your Funeral Director

OPTION B: Cash or Credit Card

You may pay the full amount at the time of funeral arrangements using either cash, check or major credit card. Processing fee of 4% will be added to all credit card transactions. We do not accept third party checks.

OPTION C: Verifiable and Assignable Insurance

This option allows you to assign over all or a portion of insurance proceeds to pay for funeral expenditures. Policies, under two years old, are generally contestable, and are not acceptable. When acceptable insurance has been assigned, a monthly statement will be sent to the purchaser until payment is received from the insurance company. A 4% fee of the funeral cost (or minimum of \$60.00) will apply using this payment option.

(We do not accept future payment from "Estate Funds".)

Disclaimer of Warranties

Arlington makes no representation of warranties regarding caskets, outer burial containers, urns, or other funeral goods sold by the Funeral Home. The only warranties granted, express or implied, in connection with the goods sold with this funeral service are the express written warranties, if any, extended by the manufacturers thereof. No other warranties, express or implied, including implied warranties of merchantability or fitness for a particular purpose, are extended by the Funeral Home.

If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.
